

DADE HERITAGE TRUST'S CAPE FLORIDA LIGHTHOUSE
BRICK PROGRAM

Dade Heritage Trust, Miami-Dade County's largest historic preservation non-profit organization, in 1996 completed a \$1.5 million restoration and relighting of South Florida's oldest landmark, the 1825 Cape Florida Lighthouse at Key Biscayne. The seven year project involved thousands of volunteer hours and raising hundreds of thousands of dollars in private funds. Public contributions were also received from the Florida Department of Environmental Protection, Recreation and Parks, and the Division of Historical Recourses. Additional funding was granted by the U.S. Department of Transportation.

To help maintain the Cape Florida Lighthouse and preserve our community's heritage, Dade Heritage Trust offers for a donation of \$150 a commemorative brick paver.

Commemorative Brick Pavers are handsome red paving bricks, engraved with the wording of your choice and installed along the walkways of the Cape Florida Lighthouse Complex. These bricks are beautiful symbols of your preservation commitment and make lasting gifts for anniversaries, graduation, birthdays and memorials. Donors receive a certificate and a one year membership in Dade Heritage Trust.

I would like to order the following Brick Paver for a donation of \$150 each.
