

Dade Heritage Trust

CALL FOR NOMINATIONS

2024 Preservation Awards

Every April DHT honors individuals, organizations, and businesses who have contributed to historic preservation efforts in our community.

The Annual Meeting and Preservation Awards Ceremony will be held at the Coral Gables Woman's Club, in the *City Beautiful*. You are invited to nominate individuals, businesses and organizations whose work throughout this year signals an extraordinary achievement in any and all categories listed below. We hope you will join us at this year's ceremony to celebrate DHT's 52 years of preservation in Miami-Dade County.

DHT Annual General Meeting and Preservation Awards Ceremony

Thursday April 18, 2024 - 6:00 - 9:00 p.m.

Coral Gables Woman's Club

1001 East Ponce de Leon Boulevard

Coral Gables, FL 33134

Eligibility

DHT's Preservation Awards are open to any individual, organization, business or agency involved in historic preservation in Miami-Dade. There is no limit on the number of nominations that one applicant can submit. Nominations may be made without the knowledge of the nominee(s). Self-nominations will be accepted. Owners of properties, if not the applicant, must provide written consent.

All projects, activities or individual service must have been completed between January 2021 and January 2024.

Categories

PROJECTS - Recognizes the preservation efforts of architects, landscape architects, engineers, planners, developers, and/or property owners. Nominated projects may include buildings, districts, private residences, and public spaces in historic districts. Nominated projects should reflect an understanding of the principles outlined in The Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring and Reconstructing Historic Buildings. Project categories include:

Adaptive Use - Projects that have successfully adapted a historic building for a new use. Residential, civic, religious, and commercial projects are considered.

Green Rehabilitation Project - Projects that have incorporated eco-friendly materials and methods into historic preservation projects. Projects can include green construction projects, incorporation of environmental practices in planning documents (guidelines, regulations, street plans, etc.)

Stabilization, Renovation, Restoration Projects - Historic buildings that have been stabilized, renovated, or have undergone significant restorations.

Compatible Addition - Projects that take into account the existing structure(s) and create new usable space that is complementary and does not detract from the historic portion.

Stewardship - Applauding the proper maintenance of a historic site over time

Master Craftsman - Individuals that continue to employ a time-honored traditional of a technique or method of construction in order to achieve authenticity in the restoration of character-defining features. Examples include: woodworking, metalworking, masonry, etc.

ORGANIZATION & COMMUNITY - This award honors municipalities, community groups, nonprofit organizations, and neighborhood associations whose advocacy, public awareness, publications, legal battles, and other preservation efforts have demonstrated a heroic dedication to protecting Miami-Dade County's heritage.

INDIVIDUAL - These awards distinguish those individuals who have demonstrated outstanding contributions to the historic preservation movement and have made a lasting impact as advocates, leaders, or activists.

The Dolly MacIntyre Resiliency Award – Named in honor of DHT Founder, Dolly MacIntyre, this award is presented to an individual who has dedicated years of service to the community working within the umbrella of Dade Heritage Trust's preservation mission.

The Arva Award – Named for historian, preservationist and former DHT Board member Arva Parks McCabe. This award is presented to an individual who has dedicated time and effort to preserving a piece of Miami-Dade history for the next generation.

PUBLICATIONS & APPS - Acknowledges excellence in research and educational efforts displayed in published documents (surveys, brochures, technical briefs, etc.) or digital materials for educational purposes (such as websites, apps, and interactive games) that have been instrumental in the success of preservation projects or efforts.
